1. PREMIUM CARE

All Premium Care entitlements and benefits must be authorised and arranged by calling us on 1300 772 273 from anywhere in Australia. You will not be reimbursed for any costs incurred by You for an entitlement and benefit not authorised or arranged by us.

1.1 Roadside Assistance

Your nominated Vehicle and any Trailer attached to it are entitled to Roadside Assistance.

1.2 Towing for your Vehicle and Trailer

In Metropolitan Areas, if your Vehicle and/or Trailer breaks down, the first 50km of Towing in any direction from the point of Breakdown is free-of-charge.

In serviced Country Areas, if your Vehicle and/or Trailer breaks down, you can choose to be Towed free-of-charge to the town of the attending Country Service Centre or for the first 50 km in any direction from the point of Breakdown.

If you need Towing for your Vehicle and/or Trailer in a Remote Area outside the Boundary of the Country Service Centre attending your Breakdown, you will be eligible for up to 100 km free Towing back to the Boundary of the attending Country Service Centre. The distance from the Boundary either to the town of the attending Country Service Centre or for the first 50 km in any direction of your choice is covered by your Premium Care entitlements.

These Towing entitlements also apply to a Trailer attached to a Vehicle on a Premium Care Subscription Package, even if the Vehicle does not need to be Towed.

1.3 Premium Care Benefits

Premium Care offers benefits up to \$3000 (inc. GST) in a Subscription Year if you're more than 100 km from Home and your Vehicle has a Major Mechanical Breakdown which cannot be fixed in less than 24 hours. (Please refer to the definition of Major Mechanical Breakdown found on page 41). These benefits apply to a Trailer where expressly stated.

- **Car Rental:** we will pay up to \$100 (inc. GST) per day for the base rate of a car rental, up to a maximum of 7 days while your Vehicle is being repaired or while you continue your journey. We will also pay up to \$165 (inc. GST) towards the rental car relocation fee.
- **Accommodation:** we will pay up to \$700 (inc. GST) (room rate only) for the driver and up to four passengers while the Vehicle or Trailer is being repaired. This does not include pre-booked accommodation.
- **Passenger transport:** we will pay for economy class rail or coach transport to the Member's Home or intended destination, for the driver and up to four passengers from the Breakdown location. We will also pay the cost of travel for one person to collect the Vehicle.
- **Vehicle transport:** we will pay for road or rail transport for the Vehicle or Trailer to the Member's Home, intended destination or to a mechanic of your choice. This benefit is not available for a Vehicle or Trailer that: has been involved in an Accident; is damaged due to Fire, theft, Flood, Water Damage or malicious damage; or is roadworthy and not immobilised due to a Major Mechanical Breakdown.

1.4 Accident Assistance

If you're more than 100 km from Home and your Vehicle is involved in an Accident which cannot be fixed in less than 24 hours, we will pay up to \$300 towards the room rate (inc. GST) if accommodation is required for the driver and up to four passengers while the Vehicle is repaired. This does not include pre-booked accommodation. We will also pay for

economy coach or rail travel for the driver and up to four passengers from the Accident location to the Member's Home or your intended destination.

1.5 Locksmith Service

- In the event that NRMA is unable to unlock your Vehicle, on your request NRMA may arrange a professional locksmith on your behalf. NRMA will contribute a maximum of \$100 (inc. GST) in a Subscription Year for the cost of that locksmith.
- NRMA will not contribute towards locksmith costs if: You make your own arrangements for a locksmith to attend your Vehicle; or a locksmith was dispatched to You in error or under false or misleading circumstances.
- The provision of a locksmith to attend your Vehicle may not be possible in some areas, including but not limited to Remote and Country Areas.
- NRMA does not guarantee that the locksmith dispatched to attend your Vehicle will be able to assist You, gain access to your Vehicle, or mobilise your Vehicle.
- NRMA accepts no liability for any loss or damage (including without limitation consequential loss or damage) however caused, which is suffered by You as a result of the provision of locksmith services to your Vehicle.
- Repairs or replacement of key and/or ignition barrels for your Vehicle will be at your own expense.

1.6 Rescue and Repair

- In the event that your Vehicle (except motorcycles) needs Towing, you can choose to have your Vehicle towed free-of-charge to an NRMA Approved Repairer in order for your Vehicle to be repaired.
- NRMA Approved Repairers are not able to repair Trailers and motorcycles. If a Vehicle being towed to an NRMA Approved Repairer has a Trailer attached, that Trailer can be Towed free-of-charge for the first 50 km in any direction from the NRMA Approved Repairer location.

- We will only Tow your Vehicle to an NRMA Approved Repairer if your Vehicle breaks down and requires a Tow in a Metropolitan Area.
- In the event that an NRMA Approved Repairer is closed, we will arrange (as soon as is practicable) for a subsequent Tow for your Vehicle to an NRMA Approved Repairer.
- NRMA does not guarantee that the NRMA Approved Repairer assigned to repair your Vehicle will be able to repair and mobilise your Vehicle.
- NRMA will not cover the cost of repairs for your Vehicle, and accepts no liability for any loss or damage (including, without limitation, consequential loss or damage) however caused, which is suffered by You as a result of the provision of a NRMA Approved Repairer to repair your Vehicle.

1.7 Taxi Benefit

- If your Vehicle is eligible for Towing, at your request we may arrange for a taxi to transport You and your passengers in order to continue your journey while your Vehicle is being towed. (Please refer to clause 8.3 'Towing Limitations' as to when your Vehicle will not be eligible for Towing).
- NRMA will contribute a maximum of \$50 (inc. GST) per taxi trip, limited to three taxi trips per Subscription Year.
- You will not be reimbursed for any taxi costs incurred which are not authorised or arranged by us.
- Taxi benefit can only be used at the time of Breakdown
- We will attempt to transport by taxi all passengers that were travelling in the Vehicle, provided each person can be safely and legally transported in a taxi. You must tell NRMA at the time of making a callout if you have any special needs or requirements which may affect your ability to be transported in a taxi.
- Although we make every effort to arrange a taxi, providing this service will depend on the availability of

taxi, particularly in Country Areas and Remote Areas.

- Taxi benefit is only available in the Subscription Year and may not be carried over to following Subscription Years.

A Member who owns a taxi may purchase a Subscription Package for that taxi. This entitles the nominated taxi to one callout for Roadside Assistance, or a free Tow up to 8 km in Metropolitan Areas or back to the town of the attending Country Service Centre during the Subscription Year. A battery or auto electric service is not considered to be a callout. A service fee is charged for each additional callout received during the Subscription Year and must be paid by credit card at the time assistance is requested.

About Our Services

7. ROADSIDE ASSISTANCE

7.1 Providing Roadside Assistance

Vehicles nominated on Premium Care, Classic Care, or Basic Care and taxis nominated under a Taxi Membership are entitled to Roadside Assistance. This entitlement also applies to a Trailer attached to a Vehicle on a Premium Care or Traveller Care Subscription Package.

Roadside Assistance is provided to mobilise a Vehicle which has become disabled due to unexpected Breakdown. When providing Roadside Assistance we carry out temporary repairs and not regular maintenance or permanent repairs, normally carried out in a licensed repair workshop. You are responsible for having your Vehicle repaired permanently at your own expense.

When requesting Roadside or Motoring Assistance, you will need to provide details validating your Membership. If we cannot confirm a current paid Subscription Package, an "On-Road Join and Go" fee, in addition to Membership fees, will be charged for providing Roadside or Motoring Assistance.

Vehicle Weight

We will make every effort to provide Roadside Assistance to Vehicles over 2.5 tonnes Laden Mass which are nominated on a Basic Care or Classic Care Subscription Package and 3.5 tonnes Laden Mass for Vehicles which are nominated on a Premium Care Subscription Package. However, there may be circumstances where we are unable to mobilise such Vehicles. In these cases, we will assist you to make alternative arrangements at your own expense.

Emergency fuel

If a Vehicle runs out of fuel, we will supply enough fuel for you to drive your Vehicle to the nearest

refuelling station where you can purchase fuel during normal business hours. You will be charged and must pay for the fuel at the time of service. If we are unable to provide fuel or if your Vehicle uses LP Gas, we will provide Towing to the nearest refuelling station (subject to your Towing entitlements) where you can purchase fuel during normal business hours. We do not provide this service for Taxis.

Lockout

We will attempt to open a Vehicle if the keys have been lost, stolen or are locked in the Vehicle. NRMA accepts no liability for any loss or damage (including without limitation consequential loss or damage) however caused, which is suffered by You as a result of the attempt by us to unlock your Vehicle. If we cannot open the Vehicle we will arrange for a professional locksmith to attend the Vehicle. Locksmith services are at your own expense (Premium Care Members are entitled to a Locksmith Service – please refer to clause 1.5 for further information).

Wheel changing

We will change a wheel with a flat tyre provided you have a roadworthy spare available and your Vehicle is under 2.5 tonnes Laden Mass. We will also try to assist Vehicles over 2.5 tonnes Laden Mass, provided you have an appropriate manufacturer's jack available for your Vehicle. If a roadworthy spare is not available or if your Vehicle was not provided with a spare by your manufacturer we will Tow the Vehicle in accordance with your Subscription Package entitlements. Assistance will not be provided for damaged wheels or fitting of a wheel to a rim.

Supply of materials, fuel and spare parts

Roadside Assistance does not include the cost or supply of materials, emergency fuel or spare parts, which must be paid for by you at the time of service. Spare parts will not be picked up, delivered or fitted (unless carried in the Patrol vehicle).

Un-located or unattended Vehicles

In the case of a Breakdown, you must be able to

provide us with the correct location of your Vehicle. Incorrect or incomplete information may cause a delay in the provision of service.

You, or an authorised representative who is a licensed driver, must be present with the Vehicle or at an agreed meeting place when we arrive.

If the Vehicle is not attended when we arrive, service cannot be provided and one callout will be debited from your Membership benefits. Further callouts relating to the same Breakdown will be considered an additional, separate callout.

If the Vehicle is unattended when a tow truck arrives the tow truck may leave the scene. If this happens, you may have to pay for the tow service to return to the point of Breakdown and tow the Vehicle.

Response time

We endeavour to provide Motoring Assistance as soon as is practicable in response to your request. Response time is not guaranteed and may vary depending on, among other things, the location of the Vehicle and the general demand for Motoring Assistance at the time your request is received, particularly in Country and Remote Areas. If you use a mobile phone or GPS device to request Motoring Assistance, we will endeavour (where possible and where we have compatible technology available) to use the mobile phone or GPS device signal to identify the location of your Vehicle. We may record all incoming telephone calls in order to improve our service and to prevent and detect fraud.

Exclusions

NRMA Motoring Assistance benefits do not cover:

- a Vehicle that is unregistered or reasonably considered by us to be unroadworthy;
- a Vehicle on which repairs have been attempted by anyone (including a licensed motor vehicle repairer), or that is partly or fully dismantled;
- a Vehicle that has suffered damage as a result of an Accident (Members with Premium Care and

Traveller Care Packages are entitled to Accident assistance), Flood, theft, Fire or malicious damage;

- a Vehicle that has, in our reasonable opinion, suffered Water Damage;
- a Vehicle which has been driven or transported to any licensed motor vehicle repairer including a Country Service Centre;
- any parts, labour or other costs associated with the repair of a Vehicle;
- any financial loss or liability in any way connected with a Breakdown or Accident;
- freight costs or costs for any sea crossings;
- transportation (by a vehicle other than a tow truck) of a damaged Vehicle;
- any responsibility and costs incurred in making arrangements for pets and animals;
- a Vehicle if the Member continues driving against our advice or the advice of a licensed repairer;
- a Vehicle that has been transported to a wharf, transport depot, rail head or other similar holding or shipment facility;
- a Vehicle that has been used in a car rally or motor race;

NRMA Motoring Assistance benefits do not apply:

- when in the reasonable opinion of NRMA, a Breakdown is deemed unsafe for a Patrol Officer to attempt, or continue attempting, to mobilise a Vehicle.; or
- to a re-occurring Breakdown deemed to be the result of a failure to repair the cause of the fault to your Vehicle which caused the initial Breakdown.

In all the above situations we will assist in arranging an alternative service or tow at your expense, payable at the time of service.

Motoring Assistance callout limits

Vehicles on a Basic Care Subscription Package are entitled to four callouts per Subscription Year. A callout consists of a response to a request for

assistance where a Patrol Officer or tow truck is despatched to and arrives at a Breakdown. It does not include a tow where you have paid for the tow and does not include the despatch of an auto-electric or battery patrol if you pay for parts.

Where a Patrol Officer attends a Breakdown and a tow truck, auto-electric or battery patrol also attends the same Breakdown, this will count as a single callout.

If you use up all your service callouts in a Subscription Year, you will be required to pay a service fee at the time of each further service callout.

Unused callouts at the end of a Subscription Year may not be carried forward into the next Subscription Year.

Excessive Users

If we consider in our reasonable opinion that you have received (and continue to request) Roadside Assistance or a Tow for a Vehicle on an excessive number of occasions in a Subscription Year, we may refuse to provide further Roadside Assistance or Towing. We will offer an alternative service (at your expense) such as a battery or auto electrical patrol or a tow truck, or charge you a fee at Commercial Rates for Roadside Assistance, payable at the time the service is requested.

8. TOWING FOR NOMINATED VEHICLES

8.1 Towing Benefits

The location of the Breakdown and your Subscription Package, will determine the Towing benefits which can be provided.

You are entitled to one Tow per Breakdown for the Vehicle and you or an authorised adult representative should arrange to travel with the Vehicle to its intended destination.

We will attempt to transport all passengers with the Vehicle provided each person can be safely and legally transported in the tow truck. You must tell NRMA at the time of making a callout if you have any special needs or requirements which may affect your ability to be transported in a tow truck. If we

are unable to transport all passengers, we will assist in arranging alternative transport at your expense at Commercial Rates.

8.2 Type of Tow

Towing will be provided for all types of Vehicles which do not exceed 2.5 tonnes Laden Mass that are nominated on a Basic Care or Classic Care Subscription Package, or 3.5 tonnes Laden Mass for Vehicles nominated on a Premium Care or Traveller Care Subscription Package, provided that the Tow can be made with Standard Towing Equipment and such equipment is available. Towing will be provided using the most appropriate equipment available (such as lift-tow, flat-top truck or trailer) as determined by us. In Country Areas and Remote Areas in particular, limited types of tow trucks may be available. Should Special Towing Equipment be required (such as power winches, extended cables, or a four-wheel-drive towing vehicle) you must pay the Towing provider at prevailing Commercial Rates at the time of service.

8.3 Towing limitations and costs Toll costs

Any Tow (which is not covered under your Subscription Package entitlements) and any associated Tow costs, such as toll costs, must be paid by you at the time of the Tow. If credit card payment is accepted by our Towing providers, you may be required to pay the credit card surcharge.

Clean up fee

You must pay a clean up fee to the Tow provider if contamination from your Vehicle makes it necessary for the tow truck to be taken off the road and cleaned. If an additional service is required to clean up the roadway, you will also be required to pay for this service.

Towing limitations

Towing benefits will not be provided for:

- a Vehicle damaged as a result of an Accident, Flood, theft, Water Damage, Fire or malicious damage;

- a Vehicle where keys are locked in the Vehicle, lost or stolen if we deem that Towing will not be possible or may cause damage to your Vehicle;
- a Vehicle bogged in a location inaccessible to normal two-wheel drive vehicles;
- a Vehicle where the Tow has not been arranged by us;
- a Vehicle which has been manufactured or modified in ways which in our reasonable opinion will increase the probability of it being damaged during Towing. We may ask for modifications (including modified or factory-released accessories) to be removed prior to Towing;
- any Vehicle or Trailer carrying livestock or commercial goods unless the Vehicle or Trailer is unloaded;
- a Vehicle at a repairer, including a Country Service Centre;
- a Vehicle that requires Towing to a wrecking yard, unless the wrecking yard is also a licensed motor vehicle repair workshop;
- a Vehicle which exceeds 5.5 metres in length and/ or 2.5 tonnes Laden Mass (for Vehicles nominated on a Basic Care or Classic Care Subscription Package) and 3.5 tonnes Laden Mass (for Vehicles nominated on a Premium Care or Traveller Care Subscription Package).

In any of the situations set out above, we may assist in arranging a tow but you must pay for the cost of the tow at Commercial Rates at the time of service.

8.4 Subsequent tows for the same Breakdown

Once a Tow has been provided for a Breakdown, any subsequent tows for the same Breakdown will be paid for by you at Commercial Rates at the time of service. This includes towing for a Vehicle that has been Towed after hours to the Member's Home, a holding yard or other place of safety and then needs further towing for the same Breakdown. This applies to Trailers that are entitled to Towing benefits.

8.5 Excess kilometres

If a Tow for your Vehicle (and/or Trailer that is entitled to Towing benefits) is in excess of the

distance for which you are eligible you must pay the Tow provider for the excess distance at commercial rates at the time of the Tow.

8.6 Salvage tow

If your Vehicle has pulled to the side of the road and has become bogged without being involved in an Accident, we will attempt to salvage you from the situation without calling for a tow truck. This can only be done for Vehicles less than 2.5 tonnes Laden Mass (for Vehicles nominated on a Basic Care or Classic Care Subscription Package) and 3.5 tonnes Laden Mass (for Vehicles nominated on a Premium Care Subscription Package). If Towing Equipment is required, this will be at your expense.

9. AREAS COVERED

We provide services in New South Wales and the ACT. Outside the Metropolitan Areas of Sydney, Canberra, Newcastle, Central Coast and Wollongong, Motoring Assistance is provided by our Country Service Centres, which cover most Country Areas throughout New South Wales.

Service is available only on private property or any trafficable road which is accessible to normal, two-wheel-drive Vehicles. Service may not be available on: open fields; beaches; creek beds; parks and ovals; tracks, trails or service roads used for logging or forestry or by electrical authorities; in national parks or wilderness areas; on any public or private property where entry of Vehicles may cause damage or is restricted; any other locations where the conditions cause an area to become unserviceable.

Remote Areas

If you break down in a Remote Area, we will try to organise Roadside Assistance through the nearest Country Service Centre. In certain Remote Areas there may be occasions when we are unable to find an appropriate service provider to assist you. In these rare instances you will be required to arrange your own rescue or recovery at your own expense.

- a corporation with an ABN (Australian Business Number), ACN (Australian Company Number) or ARBN (Australian Registered Body Number)
- a corporation or other organisation incorporated under a government statute but not having an ACN or ARBN (for example an incorporated association, certain statutory authorities and the trustees of certain religious organisations).

In the case of: a business name; a partnership or firm; an unincorporated association; or a trust, charity or religious organisation, the Membership must be taken out in the name of the proprietors, trustees or other nominees authorised by the organisation. Up to four people can be included on a Membership.

Joint Memberships

Joint Memberships are allowed between spouses or de-facto partners, between founding directors of a company and between business partners. Up to four founding directors or business partners may be listed on a single Membership.

With the exception of spouses or de-facto partners, Joint Memberships are allowed only at the time when becoming a Member except when two existing Members join their Memberships and the same Vehicle has been previously nominated under both Memberships; if two existing Members join their Memberships with the same Vehicle the joining fee will not be charged.

10.2 Becoming a Member

How to obtain your Membership

There is an initial joining fee to join, plus an annual Subscription Fee for the nomination of your Vehicle on an Available Subscription Package. This also applies to the purchase of Club Care. Once these fees are receipted and validated you are recorded as a Member.

Joining fee

You pay a joining fee only when you become a new Member of the NRMA. In some cases (including transfers of Membership from affiliated motoring clubs in other states and certain other cases) the joining fee may not apply.

Subscription Fee

A Subscription Fee is payable for each Vehicle You nominate to receive Motoring Assistance under a Subscription Package. The annual Subscription Fee varies depending on the type of Subscription Package purchased by You. You can choose to pay for a Subscription Package by having the Subscription Fee automatically deducted once a year from your nominated credit card account.

Nominating vehicles

Members (other than a Club Care Member) can nominate one Vehicle to receive Motoring Assistance benefits under each Subscription Package purchased. To nominate a Vehicle you must be the registered owner of that Vehicle or the Primary Driver. Unregistered Vehicles cannot be covered on a Subscription Package. You can purchase as many Subscription Packages under your Membership as you like.

Transferring Memberships or Subscription Packages

In certain situations, such as a deceased estate or when the "On-Road Join and Go" fee has been paid for a Vehicle other than a Member's own Vehicle, a Membership or Subscription Package can be transferred.

Transfer of a Subscription Package or Membership can be made only at the request of the current Member and/or the executor or by a person with power of attorney. Transferring the Subscription Package means crediting the chosen recipient with the Member's remaining Subscription Package entitlements and service limits. A recipient who is not already a Member must pay a joining fee and agree to be bound by the Constitution of NRMA Motoring & Services, its privacy policy and these Membership Terms and Conditions.

Changing Levels of Cover on a Vehicle

You may change the Subscription Package for your Vehicle simply by purchasing an Available Subscription Package when your current Subscription Package is due for renewal. If you are on a Basic Care Subscription Package, please refer to clause 3.2 for further information. If you wish to change your Subscription Package before the renewal date the following will apply:

- **Basic Care to Classic Care** – you will be required to purchase a full twelve-month Classic Care Subscription Package and will not be entitled to a refund for the remainder of the Basic Care Subscription Package.
- **Basic Care to Premium Care** – you will be required to pay the difference between the cost of the Basic Care Subscription Package and a Premium Care Subscription Package for each Vehicle for the time remaining on the Basic Care Subscription Package. This will entitle you to Premium Care benefits for the remaining time of your Subscription Package.
- **Classic Care to Premium Care** – you will be required to pay the difference between the cost of the Classic Care Subscription Package and a Premium Care Subscription Package for each Vehicle for the time remaining on the Classic Care Subscription Package. This will entitle you to Premium Care benefits for the remainder of your Subscription Package.

- **Club Care Members upgrading to Classic Care** will be required to pay a pro rata fee for the time remaining on their Subscription Package. Club Care Members upgrading to Premium Care, will be required to pay the difference between the cost of the Club Care Subscription Package and a Premium Care Subscription Package for one Nominated Vehicle only for the time remaining on the Club Care Subscription Package. Club Care members cannot upgrade to a Basic Care Subscription Package (see clause 3.1).

You may downgrade your Subscription Package at any time, but there will be no refund provided by us. Your Subscription Package cannot be downgraded to Basic Care (see clause 3.1). Taxi Memberships and Traveller Care Subscription Packages cannot be transferred during a Subscription Year.

10.3 NRMA Member Card

On becoming a Member, private individuals will be issued with a NRMA Member Card. On purchasing a Subscription Package, the Member will also receive a printed Membership schedule which lists the registration of the Vehicle/s nominated on the Subscription Package.

10.4 Changing Membership details

Only a person named on a Membership, a person with power of attorney, an executor – or in the case of a company – the authorised representative of the company, may request a change to Membership details. However, payment of Membership fees may be made by a person other than the Member, provided that no changes are made to the Membership.

Change of name

Changing the name on a Membership is only allowed if:

- the name has changed due to marriage or divorce;
- the name has been changed by deed poll or equivalent;
- the name of a company has been changed and recorded by ASIC, and the ABN, ACN or ARBN remains the same.

By becoming a Member, you agree to us collecting, storing, using and protecting your personal information in accordance with our Privacy Policy, available at www.mynrma.com.au and amended by NRMA from time to time. Our Privacy Policy includes information about safeguards in place for your personal information and sets out how we manage Your personal information.

10.6 Your rights

Certain State and Commonwealth legislation, including the Trade Practices Act 1974 (Cth), imply warranties or conditions or impose obligations which cannot be excluded, restricted or modified except to a limited extent. These Terms and Conditions do not purport to exclude any statutory rights available to You and must in all cases be read subject to those statutory provisions.

10.7 Changing a Vehicle nominated on a Subscription Package

A Nominated Vehicle can only be changed if that Vehicle has been disposed of or sold and replaced with another Vehicle, or if the registration number has changed.

10.8 Membership years

Continuous Membership years

Membership must remain current for continuity of Member years and to participate in loyalty programs

(see “Expiry and cancellation of Membership and Subscription Packages” for more information).

Crediting of Membership years

- **Splitting a Joint Membership.** If a Member wishes to split a Joint Membership, each of the individual Members is entitled to the number of Member years credited to the joint Membership immediately before it was separated.
- **Affiliated clubs.** Members joining NRMA Motoring & Services from an affiliated motoring club may have the continuous Membership years from the affiliated club credited to their NRMA Motoring & Services Membership. This applies only if the Membership being transferred is current.
- **Deceased estate.** The Membership years of a deceased Member may be credited only to the spouse or de-facto partner at the request of the executor or trustee of the estate. Other beneficiaries to whom the deceased Member’s Subscription Package is transferred are not entitled to receive these Membership years.

10.9 Expiry and cancellation of Membership and Subscription Packages

When does a Subscription Package lapse and a Membership expire?

Each Subscription Package must be paid for by its expiry date. If the Subscription Fee is not paid within three months of the expiry date, the Subscription Package will lapse. If a Basic Care Subscription Package lapses, it cannot be re-purchased. You must select from another Available Subscription Package (see clause 3.2). If all Subscription Packages on a Membership lapse, you will receive Club Care for an additional Subscription Year after-which the Membership will expire and all Membership benefits and entitlements will end.

A Member who wants to re-join after their Membership has expired must pay a new joining fee as well as the Subscription Fee. Any Membership

years accrued with the expired Membership cannot be credited to the new Membership.

Cancelling your Membership and/or Subscription Packages

You may cancel your Membership and/or an individual Subscription Package at any time. A cancelled Subscription Package means that the Nominated Vehicle will no longer receive Motoring Assistance. You will not be entitled to a refund (see Refund policy below).

If you cancel a Basic Care Subscription Package, it cannot be re-purchased. You must select from another Available Subscription Package (see clause 3.2).

If all the Subscription Packages on a Membership are cancelled, the Membership itself will also be cancelled and you will be removed from the Register of Members.

Only a person named on the Membership may request the cancellation of a Membership or Subscription Package.

Unpaid accounts

If you have any unpaid accounts (including unpaid “On-Road Join and Go” fees, charges for NRMA Batteries, Auto Electrics, Towing, spare parts or emergency fuel) or if a renewal is overdue at the time of Breakdown, you will not be entitled to any Membership benefits (including Motoring Assistance) until the accounts are paid in full.

Refund policy

Fees paid to NRMA (including joining fees, Subscription Fees, “On-Road Join and Go” and service fees) are non-refundable.

Note: “On-Road Join and Go” fees are non-refundable, regardless of whether the request for assistance is subsequently cancelled, or whether we are able to repair or mobilise the Vehicle.

Advance payment of Membership fees

You may pay your Subscription Fees for no more than five years in advance.

10.10 Suspension of service

Service will not be provided to a Member who, in our reasonable opinion, is abusive, threatening or violent to any NRMA staff or agents, or who attempts to receive service by deception. Should a Member behave in this way, we may at our discretion:

- suspend or limit services to the Member;
- impose service fees for further service requests;
- subject to a resolution of the Board of Directors, revoke the Member’s Membership.

If you require Motoring Assistance and (a) you have not notified us that your nominated Vehicle or taxi has changed and (b) you have changed your nominated Vehicle more than once within a Subscription Year, then you must pay an “On-Road Join and Go” fee.

Your Membership entitlements do not cover incidents or pre-existing problems with a Vehicle resulting in a Breakdown prior to the nomination (or changed nomination) of the Vehicle or taxi under a Subscription Package.

If immediate assistance is required for a Vehicle and you are not a Member or do not have a

current Subscription Package to cover your Vehicle, an “On-Road Join and Go” fee must be paid in addition to a joining fee and a Subscription Fee.
