15.1 Towing Benefits

Your Towing benefits will be based on Your Subscription Package and the location of Your Breakdown. You are entitled to one Tow per Breakdown for the Nominated Vehicle. You or someone authorised by You should arrange to travel with the Vehicle to its intended destination. We will attempt to transport all passengers with the Vehicle provided each person can be safely and legally transported in the tow truck. Please tell us at the time of making a Callout if You have any special needs or requirements which may affect Your ability to be transported in a tow truck. If we are unable to transport all passengers, we will assist in arranging alternative transport at Your expense.

15.2 Type of Tow

Towing will be provided for all types of Vehicles which do not exceed 2.5 tonnes GVM that are nominated on a Basic Care or Classic Care Subscription Package, or 3.5 tonnes GVM for Vehicles nominated on an Everyday Care, Complete Care, Ultimate Care or Premium Care Subscription Package, or 10 tonnes GVM for vehicles nominated on a Premium Plus Subscription Package or the Vehicle Plus Add-on provided that the Tow can be made with the available Standard Towing Equipment.

If Special Towing Equipment is required (such as power winches, extended cables, or a four-wheel-drive towing vehicle) You must pay the Towing provider at prevailing Commercial Rates at the time of service.

This includes Towing for a Vehicle that has been Towed after hours to the Member's Home, a holding yard or other place of safety and then needs further Towing. This applies to Trailers that are entitled to Towing benefits.
